Why buy Original HP print cartridges?

Exceptional Value
Original HP print cartridges produce over twice as many printed pages as compared to remanufactured and refilled ink cartridges[1].

Exceptional Quality
Over 20 years of research and development have gone into the design of Original HP print cartridges to ensure consistent high quality printing.

Exceptional Reliability
Newly formulated pigment inks are designed for business use with enhanced performance, reliability and durability.

Environmental Commitment
HP's Planet Partners Programme[2] ensures that Original HP print cartridges collected are recycled responsibly. All cartridges returned to the programme go through a multi-phase recycling process.

HP Officejet 4620 e-All-in-One

1. Speed specifications have been updated to reflect current industry testing methods. **2.** Based on ppm measured using ISO/IEC 24734. Standard applies to inkjet and laser products and excludes first set of test documents. For details, see www.hp.com/go/inkjetprinter **3.** Based on standard ITU-T test image #1 at standard resolution. More complicated pages or higher resolution will take longer and use more memory. **4.** For more information, see http://hplipopensource.com/hplip-web/index.html **5.** Power requirements are based on the country/region where the printer is sold. Do not convert operating voltages. This will damage the printer and void the product warranty.
